MEMO

Maryland Wing Shadow Program

WHEN: 14 – 18 July 2004, Wednesday through Sunday
WHERE: Warfield ANG Base, Martin State Airport, Baltimore, Md
WHO: Ten Cadets ages 16 to 18
COST: Cadets pay for meals, MD CAP WG pays for billeting
BILLETING: Hotel near Martin State Airport

WHAT:

The intent of the Shadow Program is to introduce cadets to the opportunities and challenges available through service in the Air National Guard, Air Force Reserve or Active Duty USAF. Cadets will spend five days working alongside Air National Guard members performing tasks in 8 different career areas. These areas include flight-line operations, major overhaul and repair, engine repair facility, avionics repair facility, hydraulic shop, Electronic Counter Measures shop, weapons, security, support functions and fuels to name a few. The week normally includes a C-130 ride!

HOW IT WORKS:

Cadets arrive Wednesday morning for orientation and briefings. Cadets will then embark on a four-day tour of duty with the ANG. Meals will be arranged to reduce cost and time. The ANG dining hall is not open during normal duty hours on weekdays. After the evening meal cadets will be transported to the hotel for the evening. Cadets will return each morning for duty and follow the same schedule each day returning to the hotel in the evening. The program will conclude Sunday afternoon with an out-brief from the ANG. Cadets will be available for pickup that afternoon.

The CAP-USAF Liaison Office is the POC for this activity for USAF responsibilities and as the liaison with the MD ANG. We can be reached at 410-760-9729.

HOW TO APPLY:

Interested cadets should notify their squadron commander and complete a CAPF 31. The CAPF 31 should be sent to the director of cadet programs at wing headquarters as soon as possible but not later than 1 June, 2003. Please fax a copy of the front page of the CAPF 31 to the USAF Liaison Office at 410-760-9284 for planning purposes.
